“Corporate Traveller has filled a vital niche for Bennett Aviation by providing professional support, 24/7. This has delivered excellent service for the Bennett Aviation inspectors so we can meet our clients’ expectations and therefore grow our business.”

Carole McCann, Travel Booker and Facilitator @ Bennett Aviation

Background

- Quality assurance production inspection services at aircraft manufacturers.
- One main travel facilitator and booker who made all changes including out of hours.

Situation

- UK-based Carole made bookings herself online.
- Amendments and changes were cumbersome, daunting and costly.

Solution

- Corporate Traveller handles all bookings and can hold flights while travellers confirm arrangements.
- 24/7 emergency assistance to support out of hours enquiries.

Success

- Carole has peace of mind that we've got everything covered.
- Swift, efficient service that works.
